

ONEPIECE SIZE GUIDE: MUJER Y UNISEX

Some like it a little looser in fit and some like to see some more forms and thus have a slightly tighter fit. They wear it as they want which is the whole idea of the garment - the freedom to do what you want when you want.

HOW TO MEASURE

Measurements should be taken directly on your body.

A: Height: Measure your height from top of head to toes.

B: Chest/Bust: Measure your chest over the fullest part of your bust while wearing a bra that fits.

C: Waist: Measure your waist at the narrowest point.

D: Hip: Your hip measurement should be measured around the fullest part of your seat.

E: Inner leg/Inside leg: Measure the length from the top of your inside leg down to the floor.

A Jumpsuit from Onepiece is unisex, which means that the model is suitable for both girls and boys. It's all about how you want the look. If you want a more baggy fit go for a larger size and if you want it more tight fitting, choose a smaller size. Wear it as you want is the whole idea of the garment - the freedom to do what you want when you want.

Our sizes are unisex - for woman's we recommend to choose a size smaller than you normally choose.
