

# BACKPACK SIZES

## DETERMINE THE PERFECT BACKPACK SIZE ACCORDING TO YOUR BACK LENGTH

The size of your backpack is important for your safety and comfort. That's why we have developed the ORTOVOX backpacks in different sizes for different back lengths. These three steps provide all the information on how to determine the perfect size and shape for your backpack.

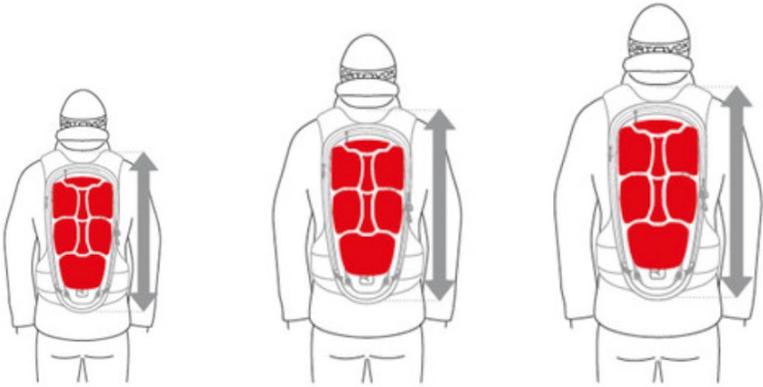

Back length  
42 - 50 cm.\* = REGULAR

Back length  
36 - 44 cm.\* = SHORT

\* The sizes are advisory only. All backpacks should be tried on in person.
